

Snorkeling Liability

This statement informs you of the risks of snorkeling. It also sets out the circumstances in which you take part in snorkeling at your own risk if you do not follow the safety instructions and rules given by the staff on board or by the guide. Please read it before signing. If you are a minor, a parent or guardian must also sign this form.

I understand that snorkeling is a physically strenuous activity and that I will be exerting myself during this program, and that if I am injured as a result of a heart attack, panic, hyperventilation, drowning or any other cause, I expressly assume the risk of such injuries and will not hold the released parties responsible for them. I understand that free diving or skin diving is not allowed on the trip.

I understand that a past or present medical condition may be a reason not to take part in the program. I confirm that I do not currently have a cold, congestion or an ear infection; that I have no history of seizures, dizziness or fainting, or of a heart condition (for example cardiovascular disease, angina, heart attack); that I have no history of respiratory problems such as emphysema or tuberculosis; and that I am not currently taking medication that carries a warning about any impairment of my physical or mental abilities.

I confirm that I do not have Covid-19 or any of its symptoms. I take responsibility if I get Covid-19 during the trip with Aquatic Divers, I will take all measures to protect myself and others from Covid-19, and I release Aquatic Divers from any responsibility if I get the Covid-19 virus.

I understand and agree that neither the professionals conducting this program, nor the company through which it is conducted, nor any of their employees accept any responsibility for any death, injury or other loss suffered or caused by me, or resulting from my own conduct or any matter under my control that amounts to my own contributory negligence.

I confirm that I have received this statement and read all of its terms before signing it.
